

# Saint Aidan-Saint Patrick Parish

## Parish Registration Form

The greatest asset of any parish is not its buildings or its bank account—it is its people! The information you provide on this form helps us in knowing you and your family. It enables us to communicate with you on parish matters and also to know more about you and the general population of the parish.

We do not share this information with outside vendors or advertisers.

Thank you for letting us know more about you.
